

### Self-Reflection

Statements	R	A	G	How have I met this target?
I have handed my homework in on time				
I have worked independently				
I have been using my creative skills				
I have ensured my work is neatly presented				
I am using different resources to research material needed				
I have reflected on my project as I work through it				
I checked my spelling, punctuation and grammar before I handed in my project				
I have put in high levels of effort to all the tasks completed				

What have I done well in this project?
