

TAKEAWAY HOMEWORK

Over the course of this term, you will need to work your way through **EVERY** task on the 'Takeaway Menu' below.

Term 2
7

For the 'Mains' you have an option between a *vegetarian dish* or a *meat dish*.

STARTERS

All work, apart from STARTERS, must be handwritten, so make sure you pay particular attention to your presentation, particularly your spelling, punctuation and grammar.

Current Affairs (This task should be completed on the computer)

Take a look at a national newspaper—either a hard copy or online (for example BBC News). Choose one news story that stands out to you, that you find interesting, and read the article. **Create a PowerPoint presentation outlining your understanding on this article**

Try to include slide transitions for this presentation, and annotate on a print out to show your tutor your great skills! *You may then print this work and present it in your project books—For this task we will be looking closely at your ICT skills as well as the content of information.*

SIDES

Study Skills

Rank your understanding of your subjects from best to worst.

Next to the lower ones, explain what you are struggling with and what you don't understand in this subject.

Finally, work out a way to overcome these issues. Who could you speak to? What could you do to improve?

DESSERTS

Revision Technique

Select one Accelerated Reader book you have read this term in English, and create a **mini revision booklet** to remember all the key content!

This booklet could focus on the key characters, events or themes within the book.

Revision booklets are a great way to summarise key information which you can read thoroughly before a test!

SOMETHING SPECIAL

Understanding of a Book

Select one Accelerated Reader book you have read this term in English, and **create a comic strip** outlining the events in each chapter. Remember to include dialogue bubbles with your drawings to annotate what is happening in the scene

Challenge—Could you include quotations and page numbers from the book?

MAINS

For this course, you should choose **ONE** of the following two options.

For both, you should research the topic and present your findings in a creative manner. *For this term, we would like you to try to use the William Edwards Pinterest Page for creative ideas—<https://www.pinterest.co.uk/artdept7488/>*

Vegetarian—Climate Change

Climate change is a major issue in today's world.

Research climate change, using the internet and books.

Create an informative piece of work, answering the following questions:

- What are the causes of climate change?
- What are the impacts of climate change?

Challenge—Create a campaign to stop climate change, informing individuals, governments and companies what they can do to help!

Meat—Black Death

The first outbreak of plague swept across England in 1348-49.

Research the black death, using the internet and books.

Create an informative piece of work, answering the following questions:

- What is the plague?
- Where did the plague spread to?
- What were the impacts of the plague?

Challenge—Write a diary extract from an individual living at the time, describing and explaining the impacts of the disease

DRINKS

SMSC

William Edwards School has Core Values which spread through the life of the school in all experiences and interactions.

Outline the core values that you see around the school on a day-to-day basis.

Explain how each of these are promoted by students and staff alike.

Conclude by explaining the importance of following these core values.
